

Acts 18:1-22

1. Silas and Timothy came from Macedonia to be with Paul in Corinth. How did this help? (18:5) What was the result of it? (18:6-8) Do you have anyone assisting you in your ministry for the lord? Are you assisting anyone? What have been the results?
2. Why did Paul remain in Corinth a long time? (18:9-11) How do you know where God wants you to be?
3. In spite of the many attacks by the Jews on Paul, what did he do when he went to Ephesus? (18:19) Why did he not stay when the Jews there asked him to? (18:20-21) Do you have trouble saying “no” or not?
4. What did Paul do at the end of his “second missionary journey”? (18:22) What does this teach us?
