

## Acts 20

1. After the riot in Ephesus, Paul leaves and goes to Macedonia and then to Greece. Was he running away from trouble? Why or why not? (20:1-3, & 19:21) how would you handle a situation as a Christian where there is the threat or actually physical harm present?
2. What stands out to you about what took place in Troas among Paul, Eutychus, and the Christians there? (20:7-12)
3. How does Paul say he served the lord? (20:19, 34-35) Are you also?
4. What did Paul preach to the people in Ephesus? (20:20-21, 24-25, 27-31) what should you be preaching or teaching? To whom?

5. What did the Holy Spirit warn Paul about? (20:23) What did he do about it? (20:24) Do you have this kind of commitment?

6. What do we learn about elders in this chapter? (20:28) Is this true at our church?

7. What does Paul say that the word of God can do for us? (20:32) Has this happened for you?
