

## Ephesians 2:1-10

1. Paul says we were once dead in verse 1. In what way? How did you experience this personally?
2. What two influences does verse 2 say dominated our life before we became a Christian? What effect do verses 2-3 say this had on our life?
3. What do verses 4-5 say God did for us while we were in this condition? Why? What does this mean about our salvation?
4. What does it mean in verse 6 that God has “raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus”? Why does verse 7 say that has He done this?
5. What do verses 8-9 say has saved us? What do they say can not save us? Why?
6. After we experience salvation, what does verse 10 say our purpose is? Are you doing this?
