

Joseph – Genesis 39

1. In spite of being a slave, why was Joseph prosperous? How do you think he experienced this himself? What was the effect on the work he did? What was the effect on himself?

Does God want you to be prosperous? How? How have you experienced this?

2. Joseph was a young man in his twenties with no wife. How was he able to resist the sexual temptation offered him by Potiphar's wife?

How can we apply these principles to our own life?

What temptations do you have? What do you do to not give in to them?

3. Joseph did the right thing in saying no to Mrs. Potiphar, yet his situation got worse. What enabled him to persevere in spite of being sent to prison. What was the result? How do you think you would have handled the situation?
